12 [2024] 2025; provided, however, that notwithstanding any other provision
13 of law, the superintendent shall not establish or approve any increase
14 in rates for the period commencing July 1, 2009 and ending June 30,
15 2010. The superintendent shall direct insurers to establish segregated
16 accounts for premiums, payments, reserves and investment income attrib-
17 utable to such premium periods and shall require periodic reports by the
18 insurers regarding claims and expenses attributable to such periods to
19 monitor whether such accounts will be sufficient to meet incurred claims
20 and expenses. On or after July 1, 1989, the superintendent shall impose
21 a surcharge on premiums to satisfy a projected deficiency that is
22 attributable to the premium levels established pursuant to this section
23 for such periods; provided, however, that such annual surcharge shall

33 2025 policy periods; in the event and to the extent physicians and
34 surgeons were insured by another insurer during such periods, all or a
35 pro rata share of the surcharge, as the case may be, shall be remitted
36 to such other insurer in accordance with rules and regulations to be
37 promulgated by the superintendent. Surcharges collected from physicians
38 and surgeons who were not insured during such policy periods shall be

41 insured by an insurer subject to rates established by the superintendent
42 during such policy periods, and at any time thereafter a hospital,
43 health maintenance organization, employer or institution is responsible
44 for responding in damages for liability arising out of such physician's
45 or surgeon's practice of medicine, such responsible entity shall also
46 remit to such prior insurer the equivalent amount that would then be
47 collected as a surcharge if the physician or surgeon had continued to
48 remain insured by such prior insurer. In the event any insurer that
49 provided coverage during such policy periods is in liquidation, the
50 property/casualty insurance security fund shall receive the portion of
51 surcharges to which the insurer in liquidation would have been entitled.
52 The surcharges authorized herein shall be deemed to be income earned for

5 experience as to the efficacy of such laws and regulations affecting
6 medical, dental or podiatric malpractice enacted or promulgated in 1985,
7 1986, by this act and at any other time. Notwithstanding any provision
8 of the insurance law, rates already established and to be established by
9 the superintendent pursuant to this section are deemed adequate if such
10 rates would be adequate when taken together with the maximum authorized
11 annual surcharges to be imposed for a reasonable period of time whether
12 or not any such annual surcharge has been actually imposed as of the
13 establishment of such rates.

14 § 5. Section 5 and subdivisions (a) and (e) of section 6 of part J of
