CONTINUUM OF CARE HOMELESS ASSISTANCE

Objective: Provides a comprehensive approach to develop and implement housing and service delivery programs and helps build partnerships and coordination with states, localities, not-for-profit organizations and the federal government to help homeless individuals and families move to permanent living and self-sufficiency to the extent possible. A Continuum of Care system consists of four basic components:

1. A system of outreach and assessment for determining the needs and conditions of an individual or family who is homeless;
2. Emergency shelters with appropriate supportive services to help ensure that homeless individuals and families receive adequate emergency shelter and referral to necessary service providers or housing finders;
3. Transitional housing with appropriate supportive services to help those homeless individuals and families who are not prepared to make the transition to permanent housing and independent living; and
4. Permanent housing, or permanent supportive housing, to help meet the long-term needs of homeless individuals and families.
